

Scholar's Name: _____

SY 17-18 Grade: _____

Student/Family Census Information

Please complete and return to Main Office (or make corrections online through Parent Portal) by
Monday, August 7th.

Please verify the information we have on file for your scholar(s) and make any necessary corrections or additions directly on this paper or online through Parent Portal. Please attached the census form that came in your mailing to this parent when making your changes to hand in to the main office. If no corrections or additions are needed, please check the "no correction" box. It is extremely important we have the most up-to-date census information on file for each scholar. There is so much going on at Amistad High School through academics, sports, and cultural events that we want to continue to inform our families. Only one census from needs to be completed per household. Additionally, please add a golden phone number and golden email if one is not listed; we will use this to send out school related notifications (i.e. school closings, important reminders etc.). To visit parent portal go to www.afamistadhs.org/portal. The parent portal account used in the middle school is the same for the high school!

☐ NO corrections or additions are needed

☐ Corrections and/or additions were made to the information, please see below. I have included a copy of proof of address if my mailing address has changed. Note: The grade listed for your scholar(s) is for the 2016-2017 school year and does not need to be corrected.

Corrections Made:

Example: Delete Joe Smith from household. Mom's new cell phone is 555-555-5555. My new address is 1234 Excellence Street, New Haven, CT 06511 and my proof of address is attached.

Additions or Comments:

Example: Add Aunt Judy as an emergency contact, her cell: 203-555-5555. Older sister is allowed to pick up scholar.

Primary Golden # _____ Secondary Golden #: _____
